WORK EXPERIENCE

STEM Trainer (Freelance) | EP Education Pte Ltd *Jul 2026 - Present*

- Deliver curriculum-based IT/coding training programmes (Code for Fun) to student groups at schools islandwide, following Company lesson plans and MOE guidelines.
- Completed 56 hours of in-house trainer certification, MOE Instructor Registration System (IRS) registration, and the IMDA pre-deployment assessment to qualify for school deployment.
- Adapt instruction on-site for varied class sizes and student skill levels while upholding MOE's Annex A5 professional conduct standards.

Media Intern | Performics (Publicis Groupe) *Aug 2021 - Oct 2021*

- Analyzed audience insights and consumer behavior trends using Global Web Index (GWI) data to support a full-funnel strategy pitch for Procter & Gamble (P&G).
- Tracked and reported on campaign performance monthly using Lumina Software and Google Analytics, translating metrics such as impressions, CTR, and conversions into optimization recommendations.
- Partnered with media planners and strategists across a multinational account to deliver accurate, timely reporting to stakeholders.

Digital Marketing Intern | StratAgile *Mar 2021 - Jul 2021*

- Designed UI/UX customer journey flows for a FinTech client, using user research to improve digital touchpoints and experience.
- Analyzed performance data across digital campaigns to guide content strategy and optimization decisions for FinTech clients.
- Conducted market and digital trend research to support new business development pitches and client growth initiatives.

Basketball Coach | Hoop Nation Basketball *2022 - 2026*

- Founded and scaled a youth training program for athletes aged 6-16, managing full program strategy, budgeting, and operations.
- Designed and delivered structured coaching plans, tracking athlete progress and adapting instruction across varied skill levels.
- Managed administrative systems for scheduling, attendance, and equipment, ensuring consistent program delivery.

IT Learning Support | ROHEI Learning & Consulting *Mar 2021 - Jul 2021*

- Processed confidential participant data into structured Excel records with a high level of accuracy for live corporate training programs.
- Provided real-time technical support across live Zoom sessions, coordinating participant management and breakout groups for trainers.

EDUCATION

Bachelor of Information Technology, Business Information Systems | Murdoch University *2023 - 2026*

Diploma in Business | Temasek Polytechnic *2019 - 2022*

LEADERSHIP & ACHIEVEMENTS

- ASEAN School Games Singapore Basketball Representative - 1 of 15 players selected nationwide to represent Singapore (2017-2018).
- Business Ambassador, Temasek Polytechnic - Analyzed social media KPIs and Google Trends data to present IoT recommendations to the Digital Business Transformation Centre (2019-2022).
- Basketball Team Captain - Led team operations and organized events, training, and media interviews for 3 consecutive years (2014-2017).
- Singapore Schools Sports Council Colours Award - Recognized by MOE for 2 consecutive years for student-athlete excellence (2014-2015).
